

Acreage living in a stunning home!

CJ Homes is pleased to introduce this full turnkey fixed price house and land package on an acre of land at Park Lake Estate in Adare. This land is registered and ready to build on now.

Are you looking for the acreage lifestyle change, then this is for you!

The WOW factor of this unique and captivating design will make you the envy of your neighbours.

This brand new estate and its lovely country feel is proving to be a very sought after area. Trees provide desirable privacy from neighbours, but properties remain close to all amenities. With Full pressure town water, underground cabling and some really lovely designer homes being built, don't miss out on being a part of this great new community.
