First Home Buyers Opportunity

Ideally located between Brisbane and the Gold Coast this is the ideal home to begin your journey in the property market!

Easy access to the M1 Motorway and Beenleigh Train Station along with plenty of Schooling and Shopping options.

This clever home design has limited the amount of 'dead space' (i.e. hallways etc) to create a spacious open-plan living with combined kitchen, dining and living area that seamlessly flow onto the outdoor patio – a perfect layout to keep the whole family connected. The approx. 12sqm outdoor patio is a perfect space to enjoy your favourite beverage and take advantage of the balmy Queensland weather.
